Obama Starts Cookie Craze

President Obama and his family love cookies. Their favorite chocolate chunk cookies come from a restaurant in Iowa called Baby Boomers Café.

When they told people how good these cookies were, people all over the country wanted to try them. The restaurant used to sell 400 cookies a week. Now they sell 1,000 cookies a week. That’s a lot of chocolate chunks.

Activity – Sweet Arithmetic

How many chips are there?
